All the activities of the Finishing School _2022-23 are carried out tirelessly by the placement co-ordinator Prof. N. M. Tandel and Students Team under the guidance and supervision Dr. Kesarisinh S. Parmar, Principal, Government Commerce College, Vadali. There are 28 students out of 37 students in B.Com Sem-6th have successfully completed the Finishing School _2022-23 by KCG Trainer Mr. Pramod N. Jadav.

An improvement in the overall personality of the students can be observed. By the end of the program, most of the students presented themselves more confidently and were able to express their views openly. They were able to place their thoughts in a logical and coherent manner which helps a lot in the Group discussions to make an impact without being overbearing. Students learnt to write a resume instead of merely a statement of facts. The mock interview sessions were one of the most popular segments. It helped the students prepare answers to commonly asked questions in a more engaging manner by citing real life examples. The language module helped in improving the grammar and vocabulary of the students and therefore helped them with their communication skills.

We thank the Team at Knowledge Consortium of Gujarat for their support and the Education Department for floating the program. We are also grateful to all the trainers to have helped the students learn so much in so short a span through activities and exercises, etc. The fun filled learning environment has truly left the students with lasting memories.
