Subject:-Tobacco Free Campus

Reference:- Government of Gujarat General Administration Department Notification No. PRCH/102012-546246-2 dated 4-9-2012 (Copy is attached)

The College Administration has taken a decision to strictly implement and follow the directives of Government of Gujarat to BAN "Smoking & Chewing Tobacco" on the campus and all affiliated Colleges are requested to implement this policy of Government strictly in letter and spirit. Copy of Government Notification under reference is attached for ready reference.

A tobacco-free policy limits or eliminates the use of any tobacco product, including, but not limited to, cigarettes, cigars, cigarillos, mini-cigars, hookah, spit tobacco, snus, and other smokeless products.

This decision is considering the lenient follow up on Government Policy to make all educational campus as "Tobacco Free" campus.

Tobacco is known to be harmful to the health of smokers, bystanders, and the environment.

Let us come together and make our campus "Tobacco Free"

Let us involve all students, Teachers and Staff for promoting this initiative to protect good health of all those using Tobacco.

Please paste signages at various places on the campus to promote "Tobacco Free" The Workshop, Seminars and Debate can be organized with a subject of "Tobacco Free Campus"

Subject: Greener and Cleaner Environment Initiatives

Government Commerce College, Vadali has initiated measures for a greener and cleaner environment. The Staff and the students of the College are requested to do the needful for the following measures:

- Please do not waste water
- Please put off water taps after use
- Please switch off lights and fans when not in use and when moving out of class / office
- Please use dustbins
- Please avoid using mobile phones on campus (for students)
- Energy Saved is Energy Generated
- Please use required light and fans only, in class rooms and offices. Please do not put on all the fans and lights when it is not required.
- Please park your vehicles in parking place only
- The Purchase Department is requested to undertake purchases of BEE minimum 3 Star rated lighting fixtures and Electric Equipments or equivalent to BEE 3 Star rated.

Subject:- Green Policy of the College

Hon'ble Prime Minister Narendra has made the pledge to cut its emissions to net zero by 2070 , the first time India has set a net zero target, at the Glasgow summit during during November, 2021.

The College has formed it's Green Policy in view of the above said pledge by our Hon'ble Prime Minister.

All affiliated Colleges are requested to implement this "**Green Policy**" of the University strictly in letter and spirit. The Green Policy of the University and College is also mandatory form NAAC point of view.

Implementing this Green Policy will not incur an expenditure of single rupee but will set an example before students, society and staff regarding our concern for the "Climate Change" and Environmental Conscious Life Style. What is needed today is Mindful and Deliberate Utilization, instead of Mindless and Destructive Consumption.

Green Policy of the University

1. Energy Efficiency Measures

- (i) Motivate and Encourage "Save Energy" measures on campus by requesting all concerned to switch off lights, fans and Air-Conditioners when room and class room is not occupied.
- (ii) Place Sinages in each room and class room to "Switch Off" lights, fans and AC when not is use.
- (iii) Purchase/Replace ceiling fans with BEE 5 star rating.
- (iv) Purchase/Replace energy efficient lighting fixtures in form of LED
- (v) Purchase/Replace electrical equipments such as AC, water coolers, refrigerators, microwave, etc with only BEE 5 star rating.

(vi) Energy Audit

2. Water Efficiency Measures

- (i) Use of water efficient plumbing fixtures
- (ii) Rain water harvesting and ground water recharge
- (iii) Water efficient irrigation system
- (iv) Water Audit

3. Green Building Measures

- (i) Construct new buildings as Green Building
- (ii) Retrofit existing building as Green Building

Subject:- Ban on Single use Plastic

Reference:- Central Pollution Control Board Notification No. B-17011/7/PWM/2022 dated 4-2-22

The College Administration has taken a decision to BAN Single use plastic on the campus and all affiliated Colleges are requested to follow the same on their respective campus too.

This decision is taken considering directives of Central Pollution Control Board to implement a blanket ban on certain single-use plastic items from 1st of July, 2022. Copy is attached for ready reference

Plastic pollution harms our health, wildlife and the environment and attracts significant clean-up costs. Many single-use plastic items are difficult and economically unviable to recycle. Often, they end up contaminating our recycling.

Hence disposable water bottles, soft drink bottles, plastic carry bags, single-use plastic straws, stirrers, cotton buds.

Let us take steps to reduce plastic use by promoting the use of biodegradable alternatives that are relatively less harmful to the environment. Let us involve all students, Teachers and Staff for promoting this initiative to protect Environment, Human-beings, Birds and Animals.

Please paste signage at various places on the campus to promote ban of "Single use Plastic"
